Meeting called to order – 7:30 PM
6 members present
Current account balance: \$323.70

Member's Dues Notice

Dues are needed ASAP in order to pay for our AMA club charter and field rent. These two yearly expenses cost \$600.00. In order to have the funds available, the clubs need your dues paid by April's meeting. In December, the officers and attending members voted and approved a \$5.00 increase in membership dues raising the amount to \$40.00. Any additional contribution is always appreciated and will be used for expenses such as mower repair and gas, postage, internet site fee and other expenses incurred by the club.

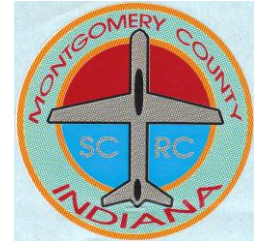

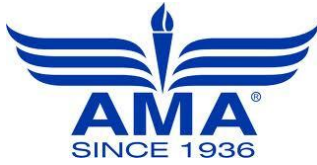

Please make sure your national AMA dues are paid as well for liability insurance coverage. It is a requirement to be an AMA member to fly at the Ropkey facility.

If you are unable to attend any meetings before April, please send your dues (payable to: Sugar Creek Radio Control), AMA number, name, address, phone number and email address to:

Mark Truax
3676 East US 136
Crawfordsville, IN 47933

In the first half of 2013, the club would like to reduce the number of newsletters mailed to our members. This cost alone is over \$100 annually. Our goal is to discontinue mailing newsletters to those members with email addresses. Not only would the newsletter be available on the club's website, but emailed directly to your inbox. If you would rather have the newsletter mailed, we will of course accommodate your request.

Rick Oliver and Steve Doughty will be updating the website in the next few weeks. We would like to use the website more for information on club adventures and other news.
