

Edge 540 T: came from nitro planes. Length is 50 inches. Wing span 55 inches.

Motor is a .61 os fx 4 stroke nitro. Ar 600 rx installed. Will sell with or without rx.

Wings are easily removable and makes it easy to take to the field.

Plane is in great shape. Never crashed. Selling it because I have moved into big scale

Gas and no longer fly it. Does not have a rx battery.

\$225 RTF with rx and your battery. \$200 without rx. If you would like more detailed pictures

Let me know.
